Interim ~~V~~s employee

Discover how interim solutions compare to traditional hiring and why they may be the smarter choice for your business.

GQ Professional

- ⊕ Our expert does not need training and brings high added value and know-how
- ⊕ Can start immediately
- ⊕ Provides own tools and equipment
- ⊕ Exactly defined working period, contract can be long or short term
- ⊕ Does not increase your headcount
- ⊕ Easy budget planning, 1 invoice = no hidden costs

Employee

- ⊖ Limited adaptability – fixed job roles and responsibilities, loss of motivation
- ⊖ Long-term commitments for the company
- ⊖ Higher overhead costs due to benefits, taxes and insurance
- ⊖ Training and development costs
- ⊖ Administrative burden – multitude of administrative tasks
- ⊖ Company gets 10 months / year
Company pays 14* months / year
*Entitlement to Medical Care and Paid Vacation

Our Experts are ready to engage in your projects immediately, bringing tailored solutions and expertise to meet your needs.

Whether you require short-term assistance or long-term collaboration, our experts are here to help you achieve success and take your business to the next level.

Our company is like a Swiss knife.

We are always ready to provide the right tool at the right moment.
